

2012 W.C.H.A. CHAMPIONSHIP HILLCRIMB/VERTICROSS SERIES

Welcome to the 2012 WCHA Championship Hillclimb and Verticross Series.

Date for 2012 Series

March 24 & 25, April 14 & 15, October 6 & 7, November 3 & 4

Skip's at Carnegie, Inc is looking forward to a great Series and wish to welcome back all our riders, their families and friends and to extend an invitation to all new riders, their families and friends.

Due to the changes in our economy, we had to make changes in some areas of our operation.

1. Sorry to say we could not keep operating in a deficit so it is necessary to increase the price for admission to \$20 gate/\$15 prepaid for adult, and \$15 gate/\$10 prepaid for 7-12 years of age. Six and under will remain FREE. There is no change to the Camping Fee \$30 per weekend.

2. Due to the space constraints from the creek closure, you will only be able to save one extra space per camper. You must occupy the campsite and have the saved site prepaid. Space sizes are marked (lined) site or no greater than 20' x 75' per space for unmarked. We appreciate your help and understanding with the new rule.

3. Classification of riders has changed. No longer will there be A-B-C but now there is Expert and Novice. The B Class will be eliminated. Top B riders will go up to Expert and the B rider with lesser points to Novice. You will still have the choice to go up to Expert, if you wish, but you cannot go back down to the Novice class once you make the change.

4. Some classes have been consolidated or deleted due to not enough riders per class (3 riders per class). If your class was eliminated or consolidated, and you have 3 or more riders in that class, scoring and trophies will be award that class.

5. Pro Class entry has been changed to \$90 per entry and \$100 post entry. There will be a 60% payback per class. A percentage for paid down will be posted. The +30 Vet has been added to the Pro class. The +30, +40, and +50 entry fee will remain the same, with the same 60% payback.

6. WCHA membership is now \$20 per year (January 1 through December 31, 2012). A new form is being mailed out for prepayment for your convenience.

7. WCHA Rulebook will have some changes for 2012. Class changes, classification changes, protest requirements, fees and protest form, and in the Unlimited Class, bolts and/or chains are required for all participants. A new Unlimited class has been added: 0-700cc with the 701 to Open.

The 2012 WCHA Rulebooks and all other information and forms will be available online(skipspromotions.com or skipsatcarnegie.net) by January 24.
